## PRESS RELEASE

**FOR IMMEDIATE RELEASE**

Date: 21<sup>st</sup> March 2019

### **ONLY 2 PLOTS REMAINING AT LANLEY HOMES FRECKLETON DEVELOPMENT.**

Lanley Homes are pleased to confirm that there are only 2 plots remaining at their new Lytham Road development in Freckleton.

The sale of plots 1 and 2 has been completed, plot 5 has exchanged, plot 3 is under offer and plot 6 is reserved; leaving plots 4 and 7 available.

Plots 4 and 7 are The Bispham house styles, a popular 3 bedroom semi-detached home with open plan kitchen/diner and separate lounge. Each plot benefits from a private driveway with ample parking for a number of vehicles.

Development Manager, Neil McManus commented "We are delighted that our new development in Freckleton has proved so popular since its official opening weekend in January. The homes have been constructed to a very high standard and specification."

Set in the heart of Freckleton village, the development benefits from excellent transport links to Preston and Blackpool.

Neil continued "It is an exciting time for Lanley Homes as our expansion plans continue. Our exclusive Deer View development of 6 detached and 2 semi-detached properties in the rural location of Lea Town is expected to be completed in May, and our new 22 home development in Great Eccleston will start on site next month. We also have planning for 39 new homes in Weeton; and we are always looking out for new sites on which to develop quality homes, with a number of new sites at advanced stages of negotiation."

**Lanley Homes**

Lanley have been building high quality low volume housing since 1988 and aim to provide a product that is more bespoke than traditional volume house building.

Lanley Homes are the housing development arm of a much wider property group and we are able to draw on the skills and expertise of that wider group whenever required.

Lanley pride themselves on the quality of their developments as well as the after care provided once a purchaser has moved into their new home. Our finished homes benefit from a number of features that you would normally only expect to find as extra cost items in a new build home. The standard specifications of our homes meet and go beyond those of many other house builders, including bespoke kitchens with appliances included. We want you to move into your new home feeling that you received a great product at a good price without having to continually pay extra for the home you wanted.
