PRESS RELEASE

FOR IMMEDIATE RELEASE

Date: 10th November 2020

FIRST OCCUPIER MOVES INTO NEW DEVELOPMENT AT GREAT ECCLESTON

Lanley Homes is pleased to announce that they have welcomed their first occupiers at their new development, Bowland View in Great Eccleston.

Bowland View is an exclusive development providing 22 new homes, with the majority a mix of 4 bedroom and 6 bedroom homes. There are only 3 of the plots on site still available.

Keith & Carol Robinson commented about their move to Bowland View “We are absolutely delighted with our new home and despite all the restrictions imposed in 2020 we now have a lovely house with quality fixtures and fittings as promised by Lanley Homes, it was definitely well worth the wait.

This is thanks to all the craftsmen involved but especially Neil McManus, Senior Development Manager, who answered all our questions and solved all our problems. Communication with Neil was excellent and although he was striving to meet our needs and that of many others in challenging times nevertheless he remained positive, professional and always made time for us, his customers.

We now look forward to enjoying life in Great Eccleston!”

Neil McManus, Senior Development Manager at Lanley Homes added “Bowland View is situated in a great location with fantastic views of Trough of Bowland. These homes have been constructed to the highest standards and attention detail in both the design and finishes. We are delighted to welcome Keith and Carol Robinson into their new home and wish them every happiness in their new surroundings.

Following strong interest in this development, we now only have 3 plots remaining.

Lanley Homes

Lanley have been building high quality low volume housing since 1988 and aim to provide a product that is more bespoke than traditional volume house building.

Lanley Homes are the housing development arm of a much wider property group and we are able to draw on the skills and expertise of that wider group whenever required.

Lanley pride themselves on the quality of their developments as well as the after care provided once a purchaser has moved into their new home. Our finished homes benefit from a number of features that you would normally only expect to find as extra cost items in a new build home. The standard specifications of our homes meet and go beyond those of many other house builders, including bespoke kitchens with appliances included. We want you to move into your new home feeling that you received a great product at a good price without having to continually pay extra for the home you wanted.
